Connect

Expertly designed for large open spaces. Connect components make a bold architectural statement and are generously sized for maximum meeting, waiting, working, or relaxed comfort.

FEATURES

- 1. Height Options:** The small scale is available in a low height plus bench. The grand scale, with straight and curved modular units, has four back heights and a bench. Combine different heights for a stepped interest in the configuration.
- 2. Arm Options:** Can be fully upholstered or upholstered with a wood arm cap. Options include a metal cupholder and a black or white power console with aluminum trim.
- 3. Tablet Arm:** Available in left or right configurations, with options in essentials or artisan veneers.
- 4. Linking Brackets:** The under mount linking bracket quickly locks into place and can easily be unfastened to rearrange configurations.
- 5. Inline Tables:** Tables connect on four sides for seating in all directions.
- 6. Occasional Tables:** Round and square upholstered ottomans, create additional seating, while upholstered tables with a wood top provide an additional surface.
