2b Upholstery Application

Somna offers the ability to be specified with multiple upholsteries to create a unique look. Models ending with a _M designate multiple upholstery zones to be specified. Models not ending in a _M will be upholstered in the single upholstery for the complete unit. Both upholstery styles are presentd in the price list and eTools. Upholstery zones are defined by the style of the unit. When specifying multiple upholstery, make sure to indentify specific yardage per zone.

7 Foot/Glide

Somna recognizes the need for fixed placement as well as full mobility, offering three combinations of glides and casters to suit each need.

Casters are 2 1/2" non-marring swivel casters and are always non-locking in the back. For models specified with all four casters, the front will be individually locking.

Clearance distance from the underneath side of Somna to the floor is 11" for all glide and caster selections. Feet ship unassembled from the sleep sofa - require assembly.
