FEATURES

- 1. Enhanced Care:** Integrated sinks, flexible waste options, and cleanable materials give caregivers a workspace designed to support hygiene and efficiency.
- 2. Tranquil Retreats:** Soft-close doors, integrated waste, and smart storage features create quiet, elegant spaces that support comfort, form and function.
- 3. Scalable Security:** Locker options with keyless locks and flexible configurations provide secure, adaptable storage for staff, patients, and caregivers.
- 4. Touchdown Stations:** Design flexible stations in any size or shape using Forge worksurfaces—customizable by the inch to fit any space or workflow.
