Contrasting Upholstery

Units with privacy elements can be specified with contrasting upholstery. When specified, the unit will be priced based on the highest grade fabric selected. Specify the (A) chair fabric and (B) privacy fabric on your order.

Upholstery Detail - False Welt

False Welt - Double fold upholstery seam detail is present on Caav privacy screens. An integral part of the upholstery application, the false welt creates a defined line while maintaining flexibility for ultimate casual comfort.

Note: Large scale and geometric patterns applied over Caav's soft contours and false welt details will impact the pattern visual. Solid colors are recommended, particularly on the seating.
