**2b Upholstery Application**

Teekan offers the ability to be specified with multiple upholsteries to create a unique look. Models ending with a \_M designate multiple upholstery zones will be specified. Models not ending in a \_M will be upholstered in the single upholstery for the complete unit. Both upholstery styles are presented in the price list and eTools. Upholstery zones are defined by the style of the unit. When specifying multiple upholstery, make sure to identify yardage per zone.
