DATA BANK

Optimize
Simplify

carpet tile

Graphic scale. Structural form.

Data Bank is a PVC-free, price-competitive flooring solution designed for performance throughout a range of commercial environments from corridors to classrooms. The graphic, dynamic visuals are designed to infuse energy into a space, while creating transition and movement across the floor.

FROM DESIGN ACCESSIBILITY TO DESIGN FLEXIBILITY.
A GO-TO COLLECTION FOR SIMPLE PRODUCT PAIRING. /

Available in two quick ship styles and six neutral colorways, **Data Bank** offers a range in scale and textural visuals. The 24" x 24" carpet tiles offer ease of coordination and efficient product pairing, enhancing versatile and flexible design.
