

Carpet Tile Lifetime Commercial Limited Warranty For EcoWorx M™ With Stain And Color

Shaw Industries, Inc. ("Company") warrants this EcoWorx M™ carpet tile made with 100% solution-dyed yarns when used in the proper fit-for-use indoor commercial applications. When EcoWorx M™ is paired with the right adhesives (See Carpet Tile Installation Guidelines), it will perform in high moisture environments.

The warranty belongs to you, the original end-use purchaser, and begins when you purchase the carpet and extends for the limited warranty period stated above and for the original installation. The basis of any warranty-related claim is the original Company or authorized dealer invoice.

The carpet must be installed in accordance with the Company's installation guidelines and specifications. The product must be maintained in accordance with the Company's cleaning and maintenance guidelines, and such product care must continue throughout the duration of the installation. Damage resulting from a failure to follow installation and cleaning/maintenance guidelines will not be covered under this warranty. Installation and carpet care guidelines are available through your dealer, the website, or from a service representative at the phone number below.

WHAT CONDITIONS APPLY?

- For jobsite and floor preparation conditions, see product-specific installation guidelines.

- As long as no visible moisture or evidence of moisture is present, moisture testing is not required by this warranty. While the Company's carpet tile products are not a food source for microorganisms, untreated moisture can lead to the growth of mold and mildew. The Company cannot control the presence or introduction of food sources or mold spores in the environment, and therefore, does not warrant against these.
- For best results, ambient temperatures should remain above 50°F, and the ambient humidity should not fall below 40%.
- Chair pads are recommended under roller caster chairs to inhibit premature wear of the surface of the carpet.
- Replacement carpet will come only from current running-line products comparable to the warranted product.
- To make a stain claim under this guarantee, the owner must have attempted to remove the stain within a reasonable time after occurrence of the spill using the Company's recommended cleaning procedures and must notify the Company immediately if stain removal is not successful. The owner must allow a Company representative an opportunity to remove the stain. If the stain is removed as warranted, all stain removal costs will be the responsibility of the owner.

This warranty does not cover the following:

- Carpet installed on stairs or in areas subject to abnormal foot-traffic use (i.e. golf spikes, other spiked footwear, ski boots, and the like).
- Damage from flooding from mother nature, pipes leaking, etc.
- Burns, cuts, fading, matting, pills, pulls, odor, soiling, staining, tears or damage due to improper installation.
- General soiling, discoloration, appearance change due to pile distortion, and exposure to substances or contaminants which degrade or destroy yarn or the color of the carpet.
- Carpet which has been surface treated with materials not recommended by the Company or which have been subjected to abnormal use or to cleaning agents or maintenance methods not recommended or approved by the Company.

EcoWorx M™ is not a moisture remediation solution.
