

USG CEILINGS PLUS WALLFORMS - REVIT LOADABLE FAMILIES

Wallforms® (computer-generated image)

Arboreal & Serante Note:

The grain of wood veneers and Serante finishes are parallel to the length of the panel.
For installation details, reference the Wallforms page on USG.com

INSTRUCTIONS FOR USE:

1. Select desired cassette (model) from this Revit file.
2. Use the **Copy** command and **Paste** it into your current project.
3. Using the Material Browser, go to the Appearance tab to Re-path the image files included with your Revit file download.

GENERAL NOTES:

- These Revit families are face-based Generic Models. They are to be attached to a wall surface, typical.
- These Revit objects are digital representations of the Wallforms®.
- Please reference typical installation details in both Revit and AutoCAD formats available on USG.com at <https://www.usg.com>
- Reference USG literature (located on USG.com) for detailed information on enhanced acoustical performance using sound absorbant materials with perforations.
- Materials are included in the attached ZIP files.
