

PS-111

PS-111 power supply

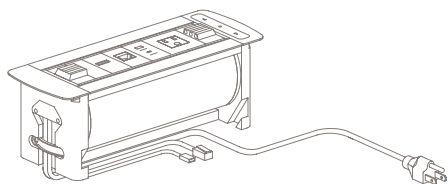

The PS-111B/S features one-touch open and close functionality, along with safety elements such as a photoelectric eye to prevent rotation during use, and is UL listed for added reliability. Equipped with a 15-amp outlet, an HDMI port for multimedia, and a USB-A/C combo charging port for modern devices, this unit offers a comprehensive solution. Its 12-foot power cord ensures flexibility, creating a clutter-free and secure workspace for users who prioritize convenience and safety.
