NorthGate® ClimateFlex® Max Def Espresso

Vibrant, durable shingles in a warm and sophisticated new color

Homeowners with refined tastes and discerning palates have a robust new color option when choosing the ideal roof. With a bold blend of black and brown granules, **Max Def Espresso** is as rich and indulgent as the perfect roast.

This chic new shade was designed with the cultured cosmopolitan in mind. Experience the trusted performance and durability of NorthGate **ClimateFlex** in a color worth savoring.

The Depth and Dimension of Max Def

With our Max Def color palette, a richer mixture of surface granules adds new, eye-catching dimension to shingles. The unique gradient blend of Max Def Espresso was developed by researching hundreds of different pigments. Carefully placed, color-coated granules bring more dramatic depth to the natural wood shake aesthetic of NorthGate **ClimateFlex**.
