

Outspan™ Outdoor Tables

Dining, gathering, and occasional tables designed to support connection, collaboration, and everyday use in outdoor environments.

Key Features

A Versatile Design

A variety of table sizes and heights support dining, collaboration, and informal gathering across outdoor environments.

B Outdoor-Grade Materials

Constructed with durable powdercoated steel and high-density polyethylene surfaces designed to perform in exterior environments.

C Umbrella Compatibility

Select models available with an optional umbrella hole to support shade planning in outdoor spaces. Umbrellas not included, allowing designers and end users to specify solutions that meet their needs.

D Anchors

Select models available with two types of anchors: center post and Z-bracket. Anchors support stability in permanent or high-traffic outdoor installations.

E Finish Options

Choose from a range of steel and HDPE colors. Specify with coordinating or contrasting colors to create intentional visually-connected spaces.
