PRODUCT SPECIFICATIONS  
Outspan™ Collection

February 2026

TECHNICAL SPECIFICATIONS

Materials & Finishes (applies to all Outspan products)

High-Density Polyethylene (HDPE) Components

Seat surfaces, tabletops, and select trim components are machined from solid High-Density Polyethylene (HDPE). Seat and tabletop material is nominal 3/4" thickness. Hardware plugs are machined from 1/2" thick HDPE. Rear leg and backrest upright top caps are machined from 1" thick HDPE.

High-Density Polyethylene (HDPE) is an advanced, scratch-resistant polymer that is environmentally stabilized for long-term outdoor use. Material will not rust, delaminate, or rot when exposed to ultraviolet radiation, humidity, or water. HDPE components are maintenance-free and never require painting or refinishing. HDPE is available in smooth matte or woodgrain textured finishes.

Steel Frame Components

All steel components are fabricated from hot-rolled sheet steel and tubular stock. Frame tubing is formed and seam-welded into square or rectangular hollow structural steel (HSS) members with a nominal wall thickness of .075" unless otherwise noted. All welding and fabrication processes are completed prior to finishing.

All steel components are finished with outdoor-rated T80 fine textured super-durable TGIC polyester powder-coat paint.

Seating

4-Leg Chair with Backrest

Frame Construction

Front legs, rear legs, and frame members consist of 1" x 1.5", 14-gauge steel tubing with integrated 1" x 1.5" HDPE components. Hardware plugs are machined from 1/2" thick HDPE. Rear leg and backrest upright top caps are machined from 1" thick HDPE.

Seat Support Structure

Front and rear seat support rails are fabricated from .105", 12-gauge sheet steel. Middle seat support rails are fabricated from 1" x 1", 14-gauge square steel tubing.

Backrest

Contoured backrest is fabricated from 16-gauge sheet steel.

Seat

Contoured seat is machined from solid HDPE with a nominal thickness of 3/4".

TECHNICAL SPECIFICATIONS

Seating (cont.)

Stools with Backrest

Frame Construction

Front legs, rear legs, and front footrest rail consist of 1" x 1.5", 14-gauge steel tubing with integrated 1" x 1.5" HDPE components. Hardware plugs are machined from 1/2" thick HDPE. Rear leg and backrest upright top caps are machined from 1" thick HDPE.

Seat and Footrest Support Structure

Middle seat support rails, and middle and rear footrest rails are fabricated from 1" x 1", 14-gauge square steel tubing. Front and rear seat support rails are fabricated from 12-gauge sheet steel.

Backrest

Contoured backrest is fabricated from 16-gauge sheet steel.

Seat

Contoured seat is machined from solidHDPE with a nominal thickness of 3/4".

Stools without Backrest - (18" seat height)

Frame Construction

Front and rear legs consist of 1" x 1.5", 14-gauge steel tubing with integrated 1" x 1.5" HDPE components. Hardware plugs are machined from 1/2" thick HDPE.

Seat Support Structure

Middle seat support rails are fabricated from 1" x 1", 14-gauge square steel tubing. Front and rear seat support rails are fabricated from 12-gauge sheet steel.

Seat

Contoured seat is machined from solid HDPE with a nominal thickness of 3/4".

Stools without Backrest - (24" & 30" seat heights)

Frame Construction

Front and rear legs and front footrest rail consist of 1" x 1.5", 14-gauge steel tubing with integrated 1" x 1.5" HDPE components. Hardware plugs are machined from 1/2" thick HDPE.

Seat and Footrest Support Structure

Middle seat support rails, and middle and rear footrest rails are fabricated from 1" x 1", 14-gauge square steel tubing. Front and rear seat support rails are fabricated from 12-gauge sheet steel.

Seat

Contoured seat is machined from solid HDPE with a nominal thickness of 3/4".

Lounge Chair

Frame Construction

Front and rear legs consist of 1" x 1.5", 14-gauge steel tubing with integrated 1" x 1.5" HDPE components. Hardware plugs are machined from 1/2" thick HDPE. Rear leg and backrest upright top caps are machined from 1" thick HDPE.

Seat Support Structure

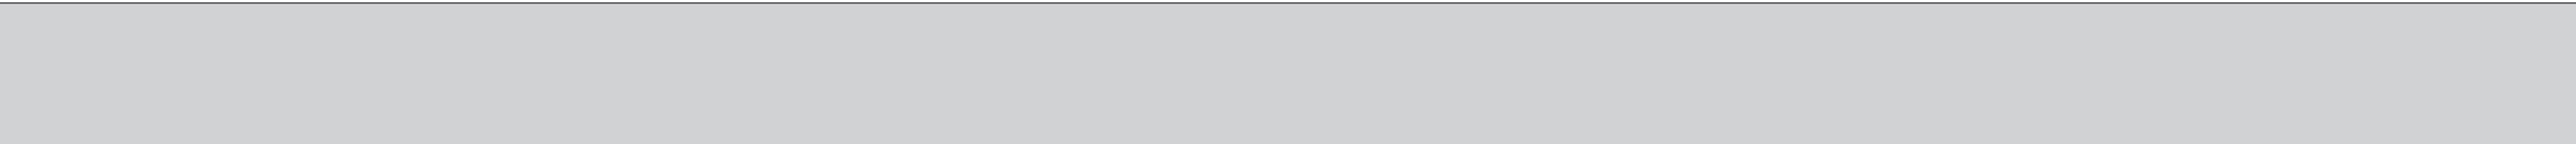

Middle seat support rails are fabricated from 1" x 1", 14-gauge square steel tubing. Front and rear seat supports are fabricated from 12-gauge sheet steel.

Backrest

Contoured backrest is fabricated from 16-gauge sheet steel.

Seat

Contoured seat is machined from solid HDPE with a nominal thickness of 3/4".

TECHNICAL SPECIFICATIONS

Seating (cont.)

Lounge Sofa

**Frame Construction**

Front and rear legs, seat support rails, and braces consist of 1" x 1.5", 14-gauge steel tubing with integrated HDPE components. Hardware plugs are machined from 1/2" thick HDPE. Rear leg and backrest upright top caps are machined from 1" thick HDPE.

**Backrest Support Structure**

Horizontal backrest rails are fabricated from .50" x 1", 16-gauge steel tubing.

**Backrest**

Flat backrest is fabricated from 16-gauge sheet steel.

**Seat**

Flat seat is machined from solid HDPE with a nominal thickness of 3/4".

Bench with Backrest (30", 36", 42", & 48" wide units)

**Frame Construction**

Front and rear legs, seat support rails, and brace consist of 1" x 1.5", 14-gauge steel tubing with integrated HDPE components. Hardware plugs are machined from 1/2" thick HDPE. Rear leg and backrest upright top caps are machined from 1" thick HDPE.

**Backrest Support Structure**

Horizontal backrest rails are fabricated from .50" x 1", 16-gauge steel tubing.

**Backrest**

Flat backrest is fabricated from 16-gauge sheet steel.

**Seat**

Flat seat is machined from solid HDPE with a nominal thickness of 3/4".

Bench with Backrest (54", 60", 66", & 78" wide units)

**Frame Construction**

Front, middle, and rear legs, seat support rails, and brace consist of 1" x 1.5", 14-gauge steel tubing with integrated HDPE components. Hardware plugs are machined from 1/2" thick HDPE. Rear leg and backrest upright top caps are machined from 1" thick HDPE.

**Backrest Support Structure**

Horizontal backrest rails are fabricated from .50" x 1", 16-gauge steel tubing.

**Backrest**

Flat backrest is fabricated from 16-gauge sheet steel.

**Seat**

Flat seat is machined from solid HDPE with a nominal thickness of 3/4".

TECHNICAL SPECIFICATIONS

Seating (cont.)

Bench without Backrest

**Frame Construction**

Legs, rails, and brace consist of 1.5" x 2", 14-gauge steel tubing with integrated HDPE components. End plates and brackets are fabricated from 1/4" thick steel. Gussets are fabricated from 12-gauge sheet steel.

**Seat**

Flat seat is machined from solid HDPE with a nominal thickness of 3/4".

**Glides**

Benches without backrests are equipped with heavy-duty adjustable glides. Glides feature zinc stems, HDPE bases, and nickel steel caps. Glides are non-swivel unless otherwise noted. Glides thread into integrated threaded inserts or welded attachments depending on product.

**Hardware**

All hardware components are stainless steel and include press-fit studs, self-tapping screws for HDPE, washers, and flange nuts. All hardware components for benches without backrests also include machine screws, rivnuts, threaded inserts, and button-head cap screws.

Tables

**X-Base Tables**

**Hardware (applies to all X-Base tables)**

All hardware components are stainless steel unless otherwise noted and include locking weld nuts, stainless steel rivnuts, flat head machine screws, nylon-insert flange nuts, washers, and screws for HDPE attachment as specified.

**Glides (applies to all X-Base Tables)**

All X-Base tables are equipped with CARPIN Series 049 heavy-duty adjustable non-swivel glides with 1" base diameter, 3/4" thread length, 5/16"-18 thread size, zinc stem, natural HDPE base, and nickel steel cap/shell.

Round X-Base Tables - (24", 30", & 36" diameter by 14", 18", 20", & 29" heights)

**Base**

Column consists of 2.5" diameter, 11-gauge round steel tubing. Base and feet are fabricated from 1" x 2", 11-gauge steel tubing with integrated 1" x 2" HDPE components. Top frame plate, column upper and lower plates, and lock plates are fabricated from 1/4" thick steel.

**Top**

Top frame perimeter plate is fabricated from 10-gauge sheet steel. Top frame rails are fabricated from 1" x 1", 14-gauge square steel tubing. Top frame perimeter apron is fabricated from 1" diameter, 14-gauge round steel tubing. Tabletop is machined from solid HDPE with a nominal thickness of 3/4".

TECHNICAL SPECIFICATIONS

Tables (cont.)

X-Base Tables (cont.)

Round X-Base Tables - (42” & 48” diameter by 29”, 36”, & 42” heights, and 24”, 30”, & 36” diameter by 29”, 36”, & 42” heights)

**Base**  
Column consists of 3” diameter, 11-gauge round steel tubing. Base and feet are fabricated from 1.5” x 2.5”, 11-gauge steel tubing with integrated 1.5” x 2.5” HDPE components. Top frame plate, column upper and lower plates, and lock plates are fabricated from 1/4” thick steel.

**Top**  
Top frame perimeter plate is fabricated from 10-gauge sheet steel. Top frame rails are fabricated from 1” x 1”, 14-gauge round steel tubing. Top frame perimeter apron is fabricated from 1” diameter, 14-gauge steel tubing. Tabletop is machined from solid HDPE with a nominal thickness of 3/4”.

**Note:** A 3” diameter round column is used on all round X-base tables 42” diameter and larger, and/or 29” height and taller, including 24”, 30”, and 36” diameter tables in 29”, 36”, and 42” heights.

Round X-Base Tables - (60” diameter by 29”, 36”, & 42” heights)

**Base**  
Column consists of 3” diameter, 11-gauge steel tubing. Base and feet are fabricated from 1.5” x 2.5”, 11-gauge steel tubing with integrated 1.5” x 2.5” HDPE components. Top frame plate, column upper and lower plates, and lock plates are fabricated from 1/4” steel. Top frame perimeter plate is fabricated from 10-gauge sheet steel.

**Top**  
Top frame rails are fabricated from 1” x 1”, 14-gauge square steel tubing. Top frame perimeter apron is fabricated from 1” diameter, 14-gauge round steel tubing. Tabletop is machined from solid HDPE with nominal thickness of 3/4”.

**Note:** 60” diameter tables utilize four 3” diameter round base columns. All other tables utilizing 3” diameter columns use one column per table.

Square X-Base Tables - (24” x 24” & 30” x 30” by 18”, 20”, & 29” heights)

**Base**  
Column consists of 2.5” x 2.5”, 11-gauge square steel tubing. Base and feet are fabricated from 1” x 2”, 11-gauge steel tubing with integrated 1” x 2” HDPE components. Top frame plate, column upper and lower plates, and lock plates are fabricated from 1/4” thick steel.

**Top**  
Top frame rails and perimeter apron are fabricated from 1” x 1”, 14-gauge square steel tubing. Tabletop is machined from solid HDPE with a nominal thickness of 3/4”.

TECHNICAL SPECIFICATIONS

Tables (cont.)

Square X-Base Tables - (36” x 36”, 42” x 42”, 48” x 48”, & 60” x 60” tables in 29”, 36”, & 42” heights and 24” x 24” & 30” x 30” tables in 36” & 42” heights)

**Base**  
Column consists of 3” x 3”, 11-gauge square steel tubing. Base and feet are fabricated from 1.5” x 2.5”, 11-gauge steel tubing with integrated 1.5” x 2.5” HDPE components. Top frame plate, column upper and lower plates, and lock plates are fabricated from 1/4” thick steel.

**Top**  
Top frame is fabricated from 1” x 1”, 14-gauge square steel tubing. Tabletop is machined from solid HDPE with a nominal thickness of 3/4”.

**Note:** A 3” x 3” square column is used on all tables 36” x 36” and larger, and/or taller than 29”, including 24” x 24” and 30” x 30” tables in 36” and 42” heights and 36” x 36” tables in 14” and 18” heights.

Square X-Base Tables - (60” x 60” by 29”, 36”, & 42” heights)

**Base**  
Column consists of 3” x 3”, 11-gauge square steel tubing. Base and feet are fabricated from 1.5” x 2.5”, 11-gauge steel tubing with integrated 1.5” x 2.5” HDPE components. Top frame plate, column upper and lower plates, and lock plates are fabricated from 1/4” steel.

**Top**  
Top frame is fabricated from 1” x 1”, 14-gauge square steel tubing. Tabletop is machined from solid HDPE with a nominal thickness of 3/4”.

**Note:** 60” x 60” tables utilize four 3” x 3” square base columns. All other tables utilizing 3” x 3” square columns use one column per table.

Post Leg Tables - (29”, 36”, & 42” heights)

**Materials**  
Legs, rails, braces, and frames are fabricated from 1” x 2”, 11-gauge steel tubing with integrated 1.5” x 2” HDPE components. End plates are fabricated from 1/4”thick steel. Gussets are fabricated from 12-gauge sheet steel.

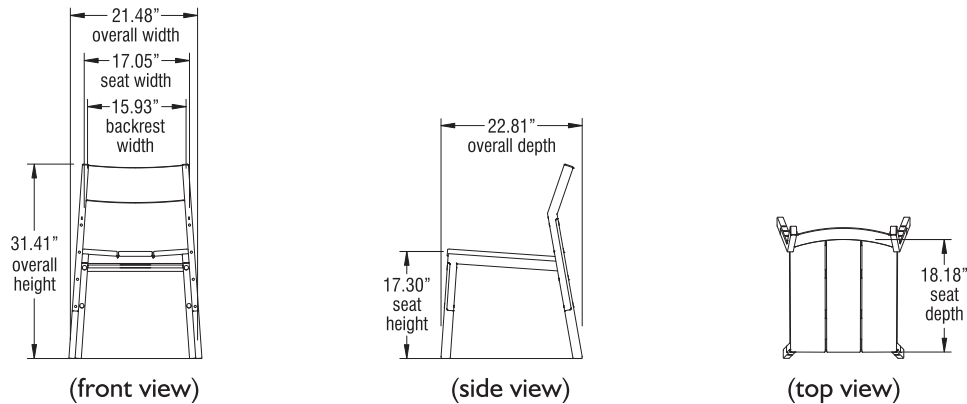

**Hardware**  
Post leg tables utilize stainless steel rivnuts, washers, screws for HDPE attachment, press-fit studs, threaded inserts, nylon-insert flange nuts, flat washers, and stainless steel button head cap screws as specified.

**Glides**  
Post leg tables are equipped with CARPIN Series 045 heavy-duty adjustable non-swivel glides with 1 3/8” base diameter, 1 1/2” thread length, 5/16-18 thread size, zinc stem, natural HDPE base, and nickel steel cap/shell.

DIMENSIONS

Outspan 4-Leg Chair - (model OSLBS shown)

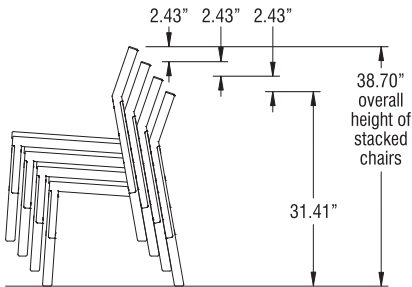

Outspan 4-Leg Chairs Footprint Calculations

Outspan 4-leg chairs have a maximum stacking quantity of four chairs.

**Stacking Height Footprint Calculation:** Overall height of stacked chairs = 31.41" chair height for the first chair, plus 2.43" for each additional stacked 4-leg chair.

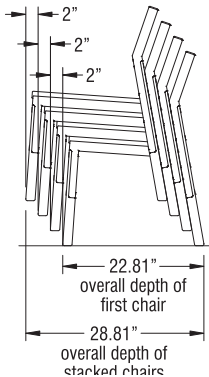

Examples:  
2 chairs:  $31.41" + (2.43" \times 1) = 33.84"$   
4 chairs:  $31.41" + (2.43" \times 3) = 38.70"$

| Stacking 4-Leg Chair Height Footprint Examples |                                |
|------------------------------------------------|--------------------------------|
| Number of 4-Leg Chairs                         | Overall Height of 4-Leg Chairs |
| 1                                              | 31.41"                         |
| 2                                              | 33.84"                         |
| 3                                              | 36.27"                         |
| 4                                              | 38.70"                         |

**Stacking Width Footprint Calculation:** Overall depth of stacked chairs = 22.81" chair depth for the first chair, plus 2" for each additional 4-leg chair.

Examples:  
2 chairs:  $22.81" + (2" \times 1) = 24.81"$   
4 chairs:  $22.81" + (2" \times 3) = 28.81"$

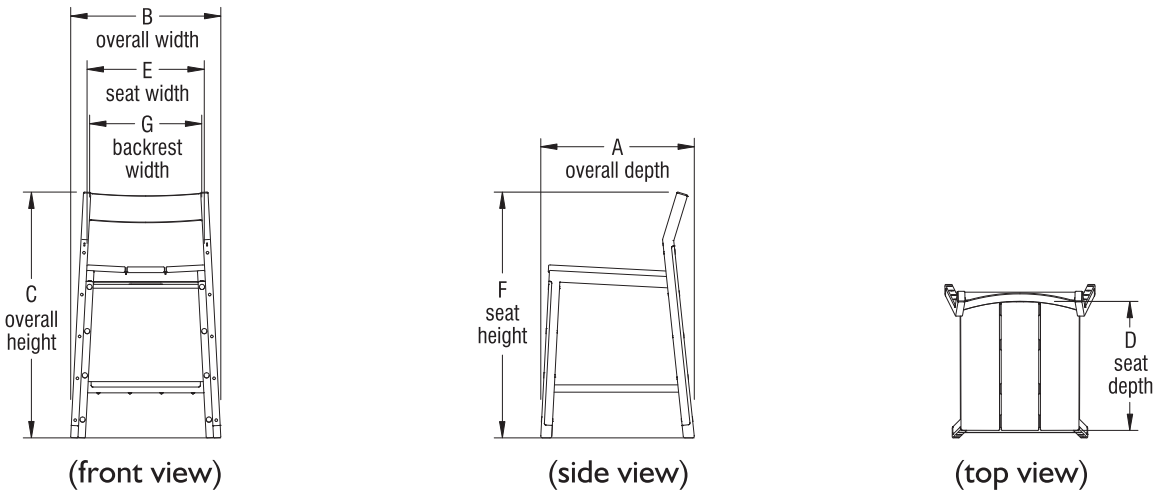

| Stacking 4-Leg Chair Depth Footprint Examples |                               |
|-----------------------------------------------|-------------------------------|
| Number of 4-Leg Chairs                        | Overall Depth of 4-Leg Chairs |
| 1                                             | 22.81"                        |
| 2                                             | 24.81"                        |
| 3                                             | 26.81"                        |
| 4                                             | 28.81"                        |

DIMENSIONS

Outspan Lounge Chair - (model OSCBS shown)

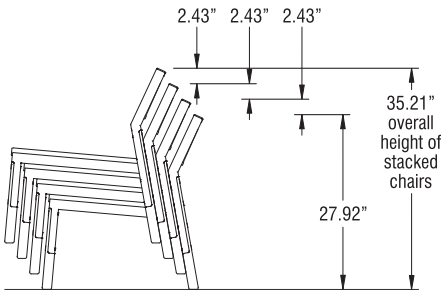

DIMENSIONS

Outspan Lounge Sofa - (model OSFBS shown)

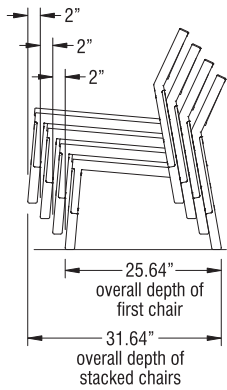

Outspan Lounge Chairs Footprint Calculations  
Outspan lounge chairs have a maximum stacking quantity of four chairs.

**Stacking Height Footprint Calculation:** Overall height of stacked chairs = 27.92" chair height for the first chair, plus 2.42" for each additional stacked lounge chair.  
Examples: 2 chairs:  $27.92" + (2.43" \times 1) = 30.35"$   
4 chairs:  $27.92" + (2.43" \times 3) = 35.21"$

| Stacking Lounge Chair Height Footprint Examples |                                 |
|-------------------------------------------------|---------------------------------|
| Number of Lounge Chairs                         | Overall Height of Lounge Chairs |
| 1                                               | 27.92"                          |
| 2                                               | 30.35"                          |
| 3                                               | 32.78"                          |
| 4                                               | 35.21"                          |

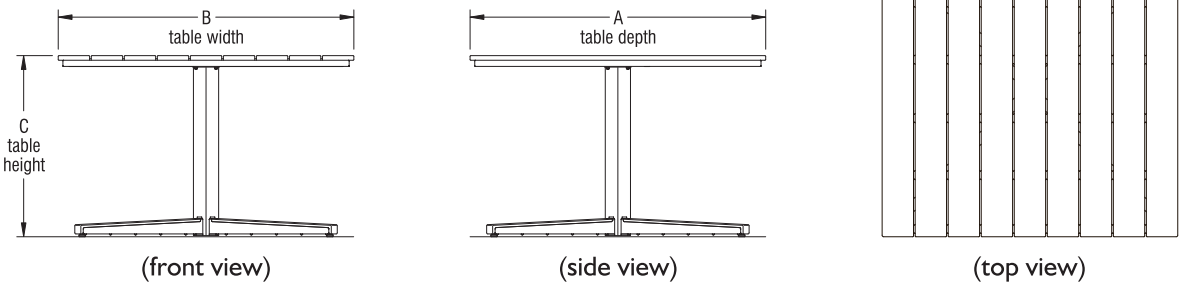

**Stacking Width Footprint Calculation:** Overall depth of stacked chairs = 25.64" chair depth for the first chair, plus 2" for each additional stacked lounge chair.  
Examples: 2 chairs:  $25.64" + (2" \times 1) = 27.64"$   
4 chairs:  $25.64" + (2" \times 3) = 31.64"$

| Stacking Lounge Chair Depth Footprint Examples |                                |
|------------------------------------------------|--------------------------------|
| Number of Lounge Chairs                        | Overall Depth of Lounge Chairs |
| 1                                              | 25.64"                         |
| 2                                              | 27.64"                         |
| 3                                              | 29.64"                         |
| 4                                              | 31.64"                         |

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See “How To Build a Model Number”.
- Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C** Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

SPECIAL SERVICES

Special Carton Marking

With specially marked information      N/C

**Shipping**  
Ships **assembled**, **FOB Holland , MI, 49423** **freight prepaid**.

Specifications and prices are subject to change without prior notice.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See “How To Build a Model Number”.
3. Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

HOW TO BUILD A MODEL NUMBER

- A

Select basic model.
- B

Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C

Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

SPECIAL SERVICES

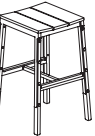

Special Carton Marking

With specially marked information      N/C

**Shipping**  
Ships **assembled**, **FOB Holland , MI, 49423** **freight prepaid**.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See “How To Build a Model Number”.
3. Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

HOW TO BUILD A MODEL NUMBER

- A

Select basic model.
- B

Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C

Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

SPECIAL SERVICES

Special Carton Marking

With specially marked information      N/C

**Shipping**  
Ships **assembled**, **FOB Holland , MI, 49423** **freight prepaid**.

Specifications and prices are subject to change without prior notice.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

HOW TO BUILD A MODEL NUMBER

- A**Select basic model.
- B**Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C**Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See “How To Build a Model Number”.
- Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

HOW TO BUILD A MODEL NUMBER

- A

Select basic model.
- B

Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C

Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

SPECIAL SERVICES

HOW TO ORDER

- Indicate the following information on order form:
- Quantity of each item.
  - Model number, including options. See “How To Build a Model Number”.
  - Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

HOW TO BUILD A MODEL NUMBER

- A**Select basic model.
- B**Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C**Select HDPE color.  
Refer to the **Product Color Options** page in this price list.
- D**Select umbrella hole.
- |           |                    |
|-----------|--------------------|
| <b>NU</b> | - No Umbrella hole |
| <b>UM</b> | - Umbrella hole    |

## HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See “How To Build a Model Number”.
3. Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C** Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

## SPECIAL SERVICES

### Special Carton Marking

With specially marked information      N/C

**Shipping**  
Ships **knocked down, FOB Holland , MI, 49423 freight prepaid.**

Specifications and prices are subject to change without prior notice.

## HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See “How To Build a Model Number”.
3. Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C** Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

## SPECIAL SERVICES

### Special Carton Marking

With specially marked information      N/C

**Shipping**  
Ships **knocked down, FOB Holland , MI, 49423 freight prepaid.**

Specifications and prices are subject to change without prior notice.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See “How To Build a Model Number”.
- Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

HOW TO BUILD A MODEL NUMBER

- A

Select basic model.
- B

Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C

Select HDPE color.  
Refer to the **Product Color Options** page in this price list.
- D

Select umbrella hole.

NU

- No Umbrella hole

UM

- Umbrella hole

## HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See “How To Build a Model Number”.
- Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C** Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

## HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See “How To Build a Model Number”.
3. Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C** Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

## SPECIAL SERVICES

### Special Carton Marking

With specially marked information      N/C

**Shipping**  
Ships **knocked down**, **FOB Holland , MI, 49423** **freight prepaid**.

Specifications and prices are subject to change without prior notice.

## HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

- A**Select basic model.
- B**Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C**Select HDPE color.  
Refer to the **Product Color Options** page in this price list.
- D**Select umbrella hole.  
**NU** - No Umbrella hole  
**UM** - Umbrella hole

## SPECIAL SERVICES

### Special Carton Marking

With specially marked information      N/C

**Shipping**  
Ships **knocked down, FOB Holland , MI, 49423 freight prepaid.**

Specifications and prices are subject to change without prior notice.

## HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

- A

Select basic model.
- B

Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C

Select HDPE color.  
Refer to the **Product Color Options** page in this price list.
- D

Select umbrella hole.

NU

- No Umbrella hole

UM

- Umbrella hole

## SPECIAL SERVICES

### Special Carton Marking

With specially marked information N/C

**Shipping**  
Ships **knocked down, FOB Holland , MI, 49423 freight prepaid.**

Specifications and prices are subject to change without prior notice.

### HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

### HOW TO BUILD A MODEL NUMBER

- A**Select basic model.
- B**Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C**Select HDPE color.  
Refer to the **Product Color Options** page in this price list.
- D**Select umbrella hole.  
**NU** - No Umbrella hole  
**UM** - Umbrella hole

### SPECIAL SERVICES

#### Special Carton Marking

With specially marked information      N/C

**Shipping**  
Ships **knocked down, FOB Holland , MI, 49423 freight prepaid.**

Specifications and prices are subject to change without prior notice.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See “How To Build a Model Number”.
- Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

HOW TO BUILD A MODEL NUMBER

- A**Select basic model.
- B**Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C**Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

SPECIAL SERVICES

Special Carton Marking

With specially marked information      N/C

**Shipping**  
Ships **knocked down, FOB Holland , MI, 49423 freight prepaid.**

Specifications and prices are subject to change without prior notice.

## HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

- A

Select basic model.
- B

Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C

Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

## SPECIAL SERVICES

### Special Carton Marking

With specially marked information      N/C

**Shipping**  
Ships **knocked down, FOB Holland , MI, 49423 freight prepaid.**

Specifications and prices are subject to change without prior notice.

## HOW TO ORDER

- Indicate the following information on order form:
1. Quantity of each item.
  2. Model number, including options. See “How To Build a Model Number”.
  3. Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

- A**Select basic model.
- B**Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C**Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

## SPECIAL SERVICES

### Special Carton Marking

With specially marked information N/C

**Shipping**  
Ships **knocked down, FOB Holland , MI, 49423 freight prepaid.**

Specifications and prices are subject to change without prior notice.

## HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C** Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

## SPECIAL SERVICES

### Special Carton Marking

With specially marked information      N/C

**Shipping**  
Ships **knocked down, FOB Holland , MI, 49423 freight prepaid.**

Specifications and prices are subject to change without prior notice.

## HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See “How To Build a Model Number”.
3. Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C** Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

## SPECIAL SERVICES

### Special Carton Marking

With specially marked information N/C

**Shipping**  
Ships **knocked down, FOB Holland , MI, 49423 freight prepaid.**

Specifications and prices are subject to change without prior notice.

Outspan™ Occasional Tables - Post-Leg Coffee Table

Rectangular - 14" and 18" High

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See “How To Build a Model Number”.
- Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C** Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

SPECIAL SERVICES

Special Carton Marking

With specially marked information N/C

**Shipping**  
Ships **knocked down, FOB Holland , MI, 49423 freight prepaid.**

Specifications and prices are subject to change without prior notice.

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

## HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See “How To Build a Model Number”.
3. Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C** Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

## SPECIAL SERVICES

### Special Carton Marking

With specially marked information      N/C

**Shipping**  
Ships **knocked down, FOB Holland , MI, 49423 freight prepaid.**

Specifications and prices are subject to change without prior notice.

Outspan™ Occasional Tables - X-Base End Table

Square - 18” and 20” High

Outspan™ Occasional Tables - X-Base End Table

Square - 18” and 20” High

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See “How To Build a Model Number”.
- Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

HOW TO BUILD A MODEL NUMBER

- A**Select basic model.
- B**Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C**Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

SPECIAL SERVICES

## HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See “How To Build a Model Number”.
3. Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C** Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

## SPECIAL SERVICES

### Special Carton Marking

With specially marked information      N/C

**Shipping**  
Ships **knocked down**, **FOB Holland , MI, 49423** **freight prepaid**.

Specifications and prices are subject to change without prior notice.

### HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See “How To Build a Model Number”.
3. Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

### HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select paint color.  
Refer to the **Product Color Options** page in this price list.
- C** Select HDPE color.  
Refer to the **Product Color Options** page in this price list.

### SPECIAL SERVICES

#### Special Carton Marking

With specially marked information      N/C

**Shipping**  
Ships **knocked down, FOB Holland , MI, 49423 freight prepaid.**

Specifications and prices are subject to change without prior notice.
