THE GALLERY

FOREST FRAY

The Forest Fray collection adds a visual of weathered intensity to the Gallery series. By translating the fractured patterns of storm-damaged wood into a plank format, the designs capture nature's most unpredictable moments. It is a refined take on organic fragmentation.

WellBAC® cushion backing **enhances ergonomics and underfoot comfort**, reducing as much as 24% of muscle strain as compared to hardback.

The acoustic technology of our carpet **reduces noise by up to 50%** as compared to other flooring.

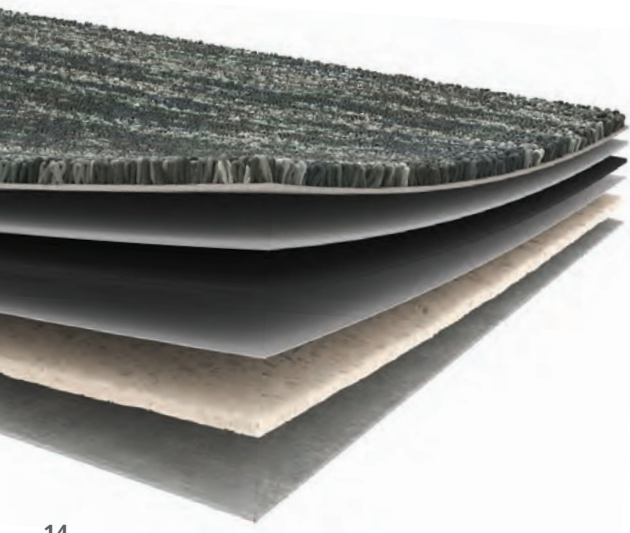

WellBAC® open-cell backing allows the floor to breathe. In fact, **we haven't had a moisture claim in 25+ years.**

Save time and money on installation. Our carpet tiles can be installed over old adhesive and it's rarely necessary to scarify or seal the floor.

Designed with wellness and circularity in mind, **this collection features carpet materials that are Red List Free and PVC-Free.**
