THE GALLERY

PAINTED GLASS

The Painted Glass features eight captivating colorations, each chosen to enhance modern interiors with a fresh, contemporary palette. Its visual appeal is defined by a layered abstract pattern that adds depth and intrigue, creating a sense of movement throughout the space. This innovative design offers a unique interplay of texture and color, making each piece in the collection a statement of artistic expression.

CLIMATE IMPACT

Our climate is changing. Milliken takes a holistic approach reducing our products’ embodied carbon without compromise to quality. We champion circularity through our N/XT Life™ reclamation program, and continue on our carbon reduction journey offsetting the full cradle-to-gate carbon footprint through our M/PACT™ program.

MATERIAL HEALTH

Our innovative flooring solutions pave the way for healthier, happier, more productive spaces. All Milliken carpet is **PVC-Free** and free of harmful Red List materials. With 100% material transparency, low-VOCs, and less new raw materials, we aim to eliminate harmful chemicals in-line with the highest voluntary standard.

PACKED *with* PERFORMANCE.

WellBAC® cushion backing **enhances ergonomics and underfoot comfort**, reducing as much as 24% of muscle strain as compared to hardback.

The acoustic technology of our carpet **reduces noise by up to 50%** as compared to other flooring.

WellBAC® cushion open-cell backing allows the floor to breathe. In fact, **we haven’t had a moisture claim in 25+ years.**

Save time and money on installation. Our carpet tiles can be installed over old adhesive and it’s rarely necessary to scarify or seal the floor.

Designed with wellness in mind, **all our carpet is Red List Free and PVC-Free.**
