

OBEX™ IDENTITY TILE
ENTRANCE FLOORING

Milliken™

CutX/Stipple in Grey STX235-27. Monolithic.

STREAMLINED PROCESS

1. CHOOSE YOUR DESIGN

Choose any background design and color from our OBEX™ Tile offering.

2. CHOOSE A MATERIAL

Pick a material that fits your needs: Cut or CutX. Cut is best for logos with 100% white backgrounds.

3. SEND YOUR ARTWORK

Provide your logo, design idea, or branding concept to your Milliken Representative.

4. PROOF

We will create a digital proof for you to approve and sign off on.

5. PLACE YOUR ORDER

Time to make your vision a reality! Orders typically ship in two weeks.

FLOORS THAT REFLECT YOUR BRAND

Showcasing your brand in your entry is easy with OBEX™ Identity Tiles, one-meter tiles that allow you to create any image, design, logo, or picture. You can use a single Tile to show your brand, or combine multiple Tiles to create a large scale logo.

OBEX Identity Tiles integrate seamlessly with OBEX™ Tile installations, allowing you to brand your entryway while eliminating the trip hazards associated with surface mats.

Identity Tiles don't just protect spaces from unhealthy, unsafe contaminants. They also allow you to create high-impact entryway statements with virtually any color or detail. OBEX™ delivers innovative custom capabilities for the highest quality brand messaging.
