

The background image shows a large, empty industrial space, possibly a warehouse or a factory floor. The ceiling is high and features a complex network of white pipes and conduits running across it. The walls are white and appear to be made of concrete or plaster. The floor is a dark, polished concrete. In the distance, there are large windows that let in bright light. A dark, semi-transparent rectangular overlay is positioned in the center of the image, containing the text 'INSTALLATION INSTRUCTIONS' in white, bold, uppercase letters. A thin white horizontal line is located below the text.

INSTALLATION INSTRUCTIONS
