GRAND SIR MODULAR SOFA

PIERGIORGIO CAZZANIGA

NEW DESIGNS

The Grand Sir Modular Sofa is the evolution of the Sir system, elevated to a more imposing aesthetic and superior comfort. It retains the clean lines, pure volumes, and subtle curved corners, but updates its upholstery to create a visual continuity befitting a premium lounge sofa. Its upholstery, which extends all the way to the base, gives it an elegant, monolithic appearance and eliminates any visible technical elements, accentuating its understated sophistication.

The collection thus reinterprets the contemporary simplicity of the original Sir with an added touch of grandeur and comfort, designed to enhance both premium corporate spaces and residential interiors.
