Bhadrak, Cocktail Table

Item 24068

Product Description:

This table features vintage bunta blocks, originally used by artisans for hand printing textile patterns. These carved-wood antiques range in age from 50-150 years old and often show wear and authentic dye colors. Table is crafted from recycled wood that has been skillfully reclaimed from sun-bleached and weathered buildings no longer in use. Each piece is unique and colors will vary slightly.
