Your Kohler Shower Enclosure

Your new Kohler shower enclosure blends remarkable styling and beauty with exceptional performance and reliability. Each shower enclosure is precision engineered and constructed of premium quality materials to provide trouble-free operation for years to come.

The reliability that results from quality parts and construction will make your new Kohler shower enclosure a welcome addition to your home.

Your Kohler shower enclosure is designed to withstand the rigors of residential use. Tempered glass, anodized aluminum and stainless steel hardware create a combination of non-corrosive durability, long-lasting performance and simple elegance that will provide you years of performance.

Care and Cleaning Instructions

Do not use bristle brushes or abrasive sponges on the surfaces of your shower enclosure.

Never use abrasive cleaners.

Do not allow cleaners to sit or soak on shower enclosure surfaces.

Use a shower squeegee to clean the glass after showering.

Rinse and wipe the fixtures after cleaning to prevent soap build-up.

Products to consider for use when cleaning your glass panels include: Formula 409 ® Glass and Surface Citrus Scent, Glass Plus ®, and Windex ® Original.
