

### Product Information

|                                                |                                  |
|------------------------------------------------|----------------------------------|
| Applicable product:                            |                                  |
| Undercounter sink                              | K-3154 (ships as 3179)           |
| Fixture*:                                      |                                  |
| Basin area                                     | 20" (50.8 cm) x 6-1/4" (15.9 cm) |
| Water depth                                    | 4-7/8" (12.4 cm)                 |
| Drain hole                                     | 3-5/8" (9.2 cm) D.               |
| *Approximate measurements for comparison only. |                                  |
| Included components:                           |                                  |
| Hardware kit                                   | 91915                            |
| Cut-out template                               | 1022026-7                        |

### Installation Notes

Install this product according to the installation guide.  
 Allow a minimum of 2" (5.1 cm) clearance around the sink rim for clip attachment.  
 Fixture dimensions are nominal and conform to tolerances in ASME Standard A112.19.3.
